## XO *Ambre d'Or* Reserve

**GOLDEN LIKE AMBER  
- AS DELICATE AS DESSERT WINE**

“Ambre d’Or” means “golden amber” – a nod to both the radiant hue and the luxurious quality of this exclusive blend. The name also honors the French tradition of crafting exquisite sweet wines. XO Reserve Ambre d’Or is aged in oak casks that once held rich dessert wines. As the blend matures, it absorbs the deep, layered nuances from the casks, developing a sweetness, depth, and complexity that only time – and these very special barrels – can bring.

*Old St. Croix XO Reserve - Ambre d’Or* is inspired by the original recipes of Albert Heinrich Riise and crafted from hand-selected, extra-aged, double-distilled casks from renowned distilleries in the West Indies and Central America. The style is warm, aromatic, and seductive – the perfect choice for those who appreciate a soft, sweet, and character-rich taste experience.

**A golden taste experience – in a class of its own.**
